Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicant presented the argument that the reference by Blanchard fails to teach "a menu driver to facilitate a user to navigate directly from one activity to another, ..., including saving a first state of a first activity from which the user is navigating from, ..., and entering a second state of a second activity to which the user is navigating to, the second state being the state in which the user last left the second activity".
